

THE Round-up

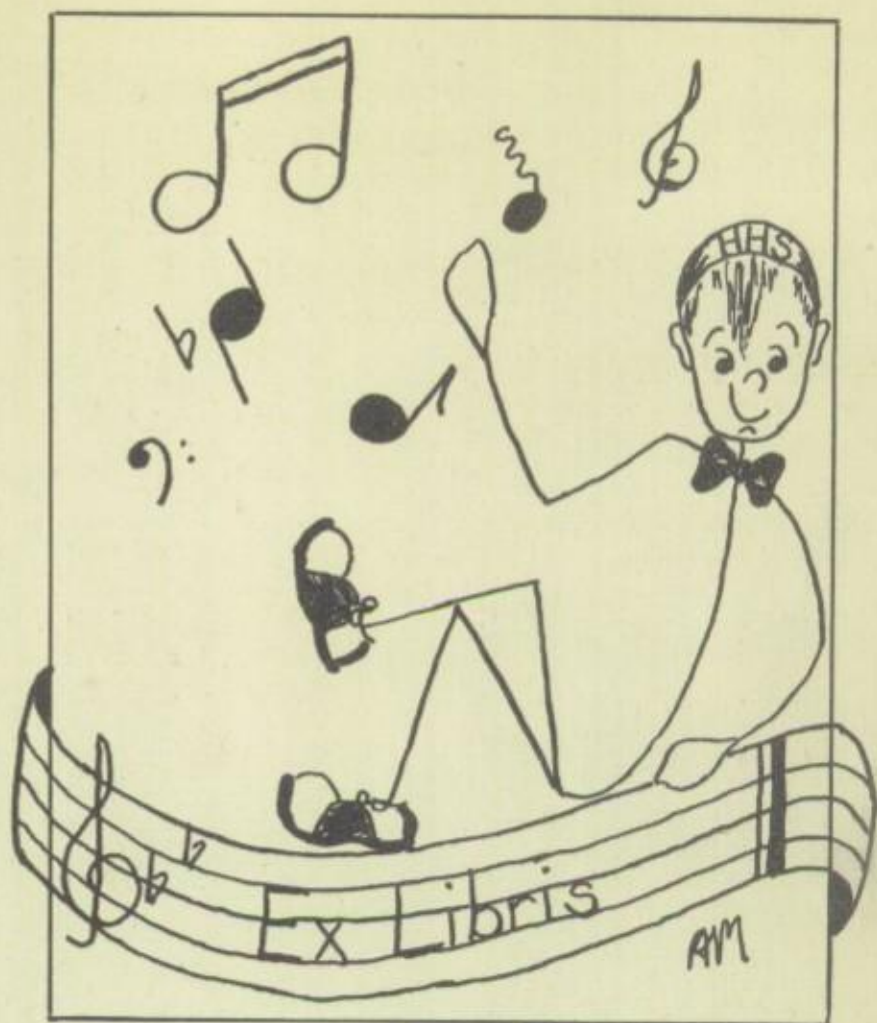

1947

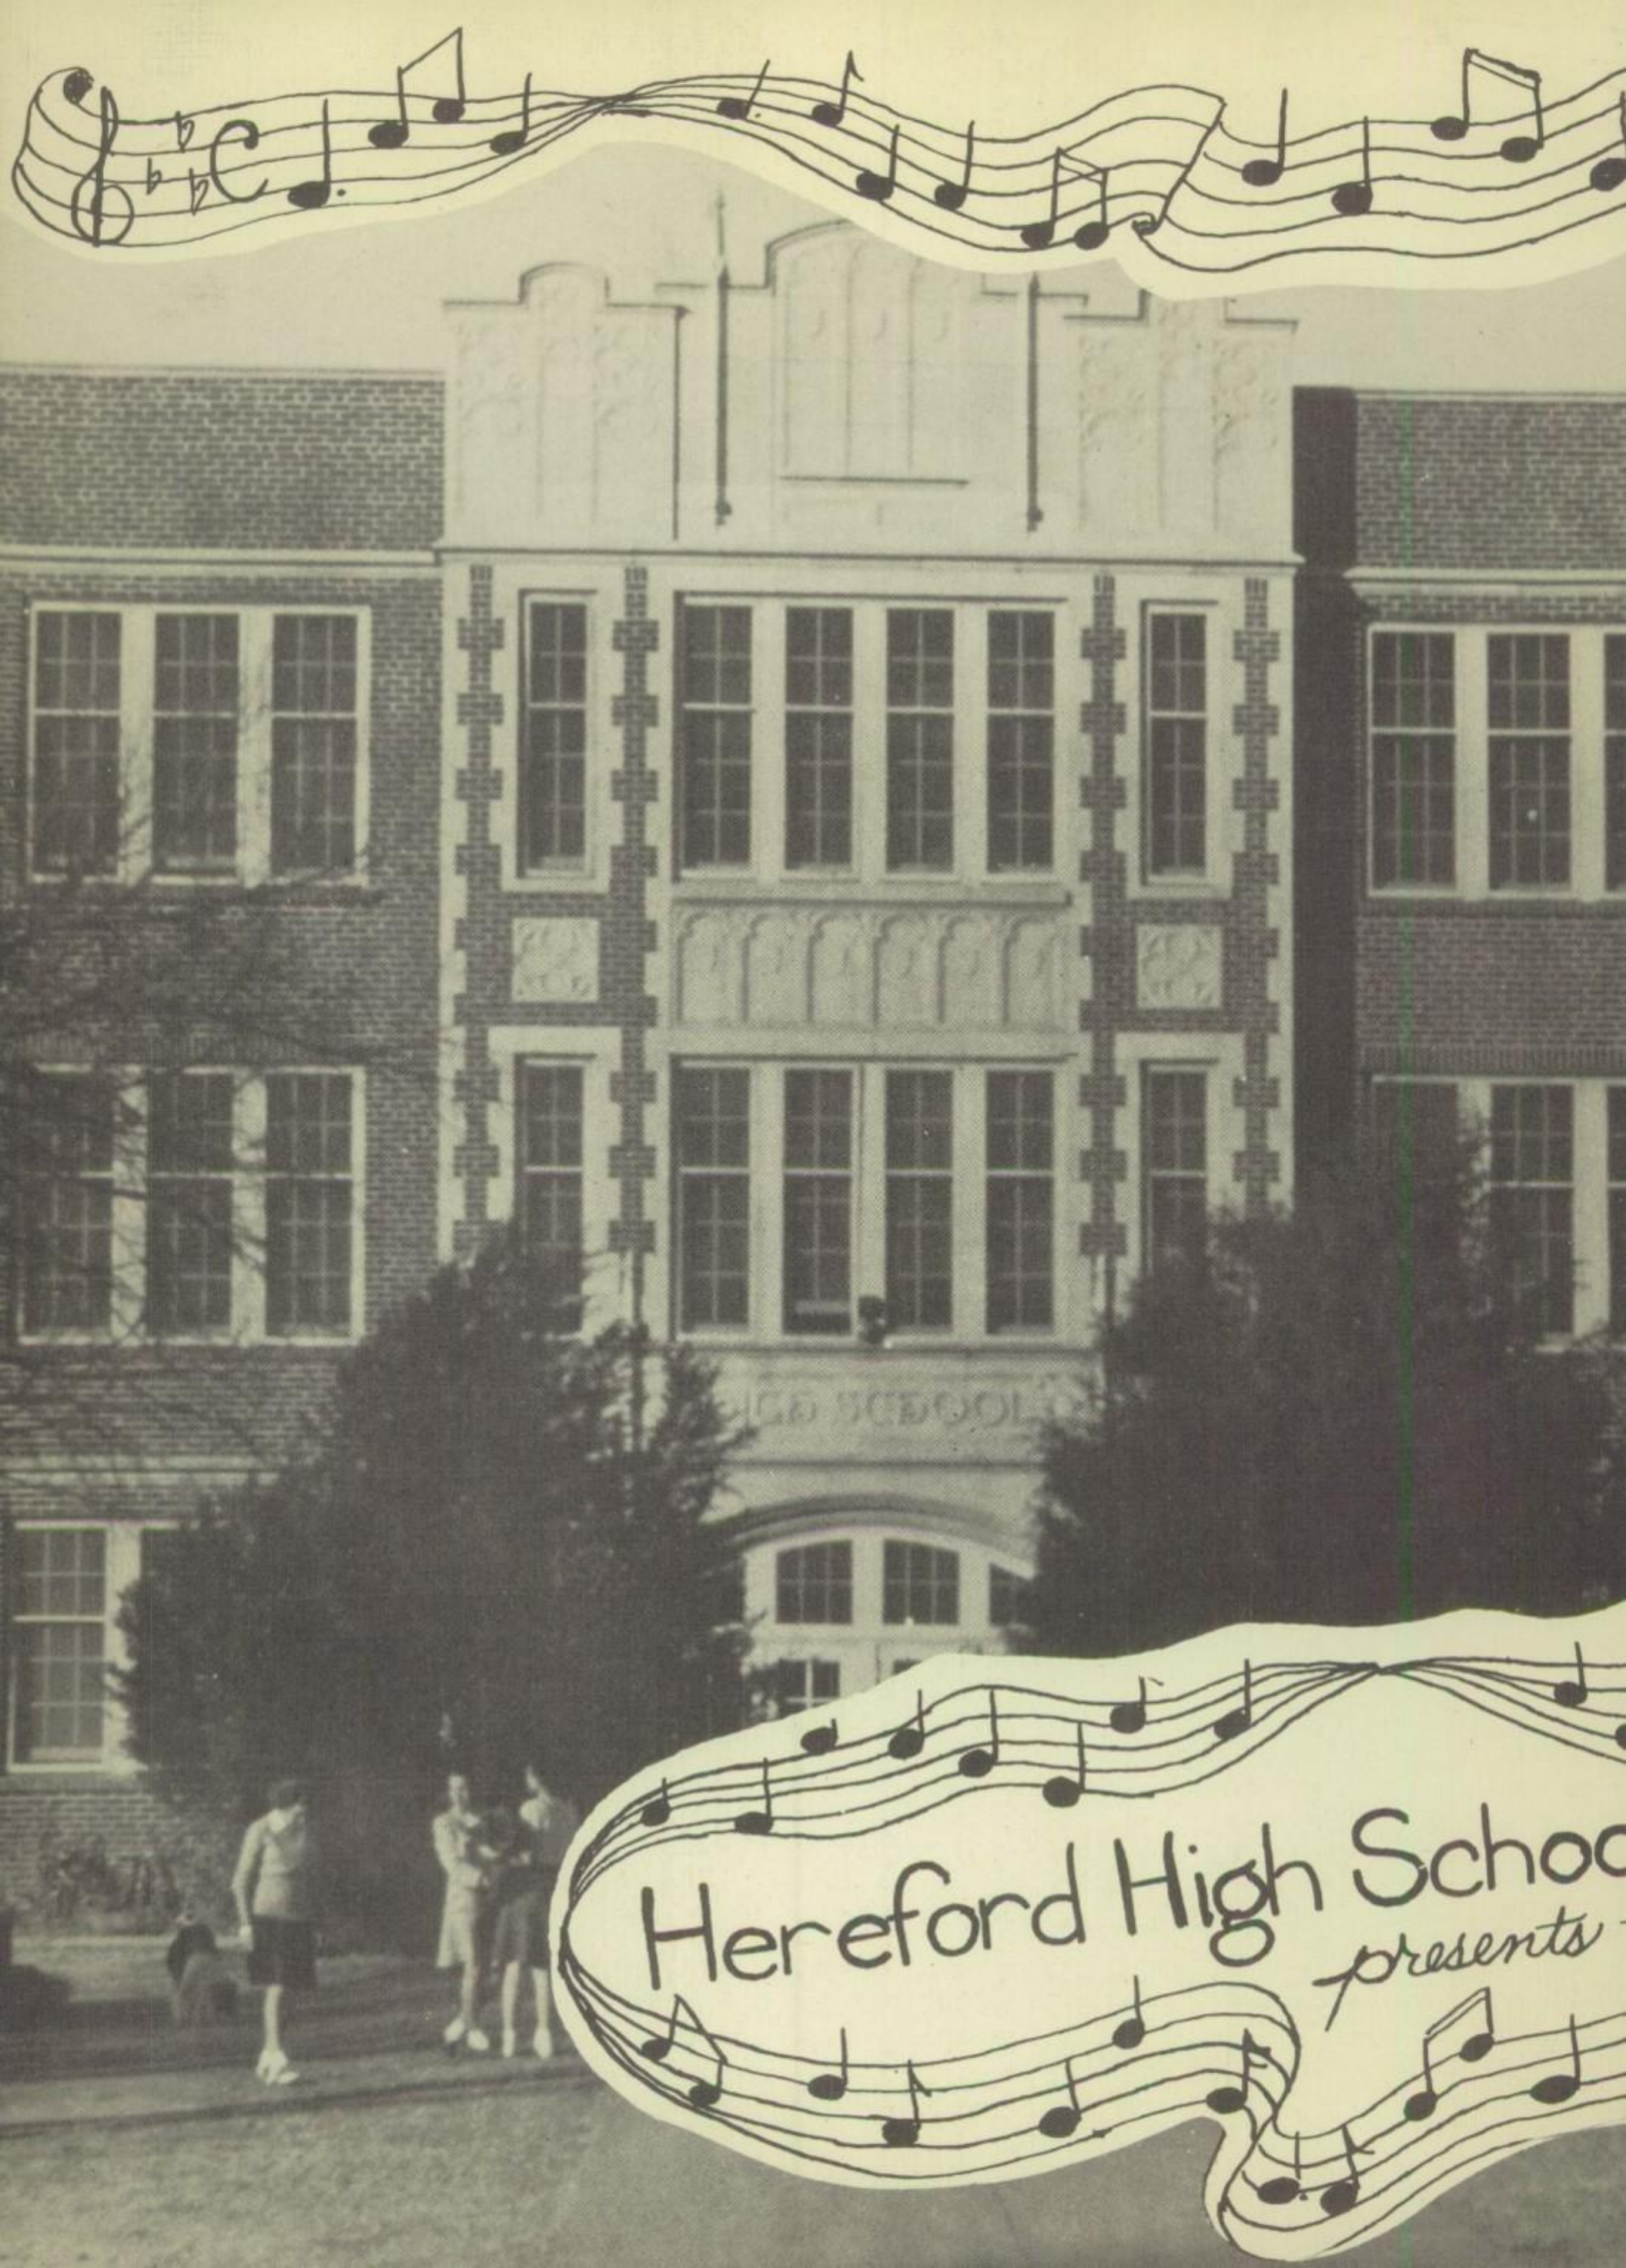

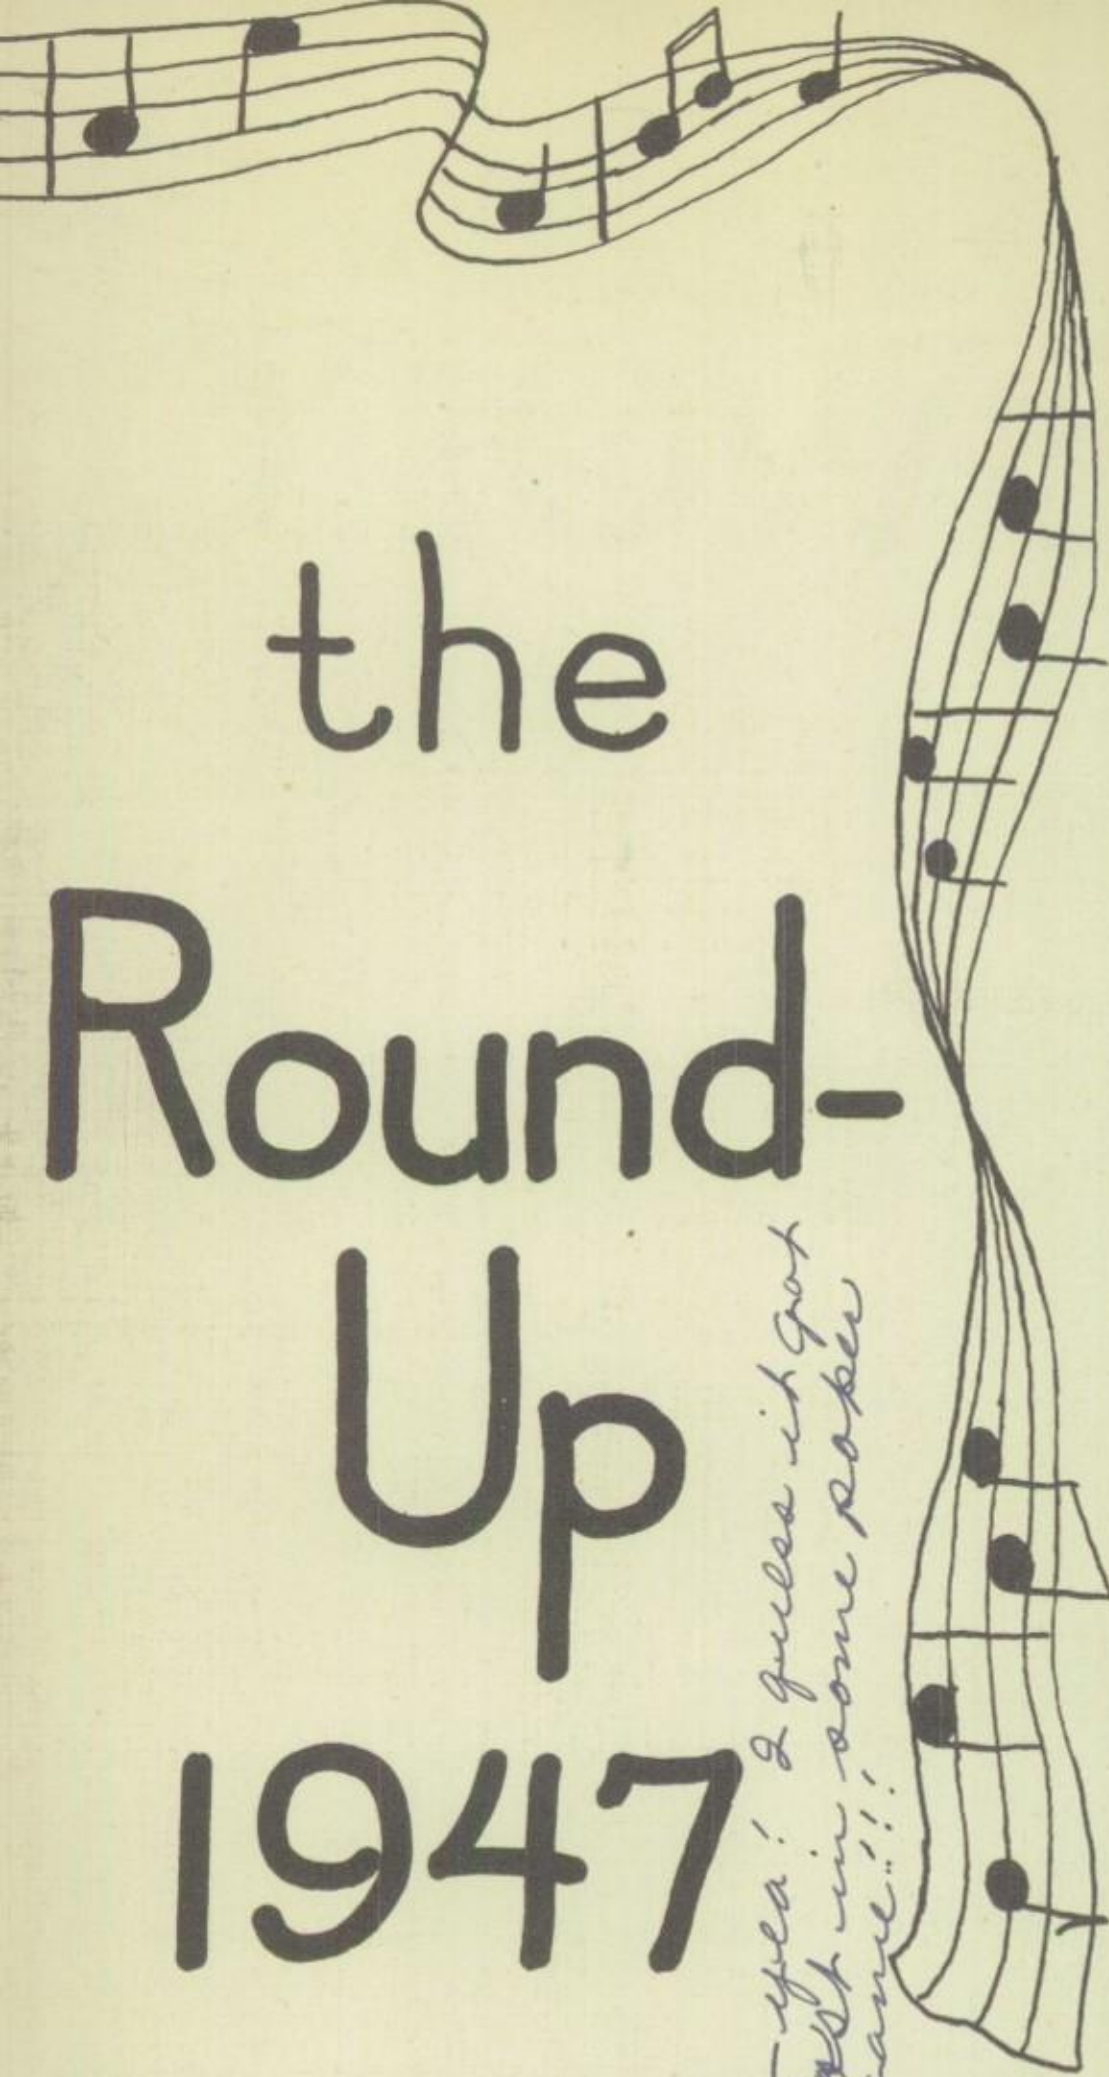

Dear Freddie,
We've had a lot of fun
in the past four years. I know I
won't forget our good times, and I
hope you won't. Though we're not
going to the same school, let's continue
to have fun when we're together.
Your Good Pal,
Roger

Foreword

It's ready for you, students of Hereford High

And we leave it now with a sort of sigh.

We're hoping you'll find within this book

Something to please you as you look.

It records for you your work and fun,

So now look back on all you're done.

We've worked, and sighed, and wished so much

To make it have that little touch

That will make you feel toward Hereford High

A joyful, sincere, and lasting tie.

Just one last word--believe us true--

We're happy to give this book to you!

The Staff

Dedication

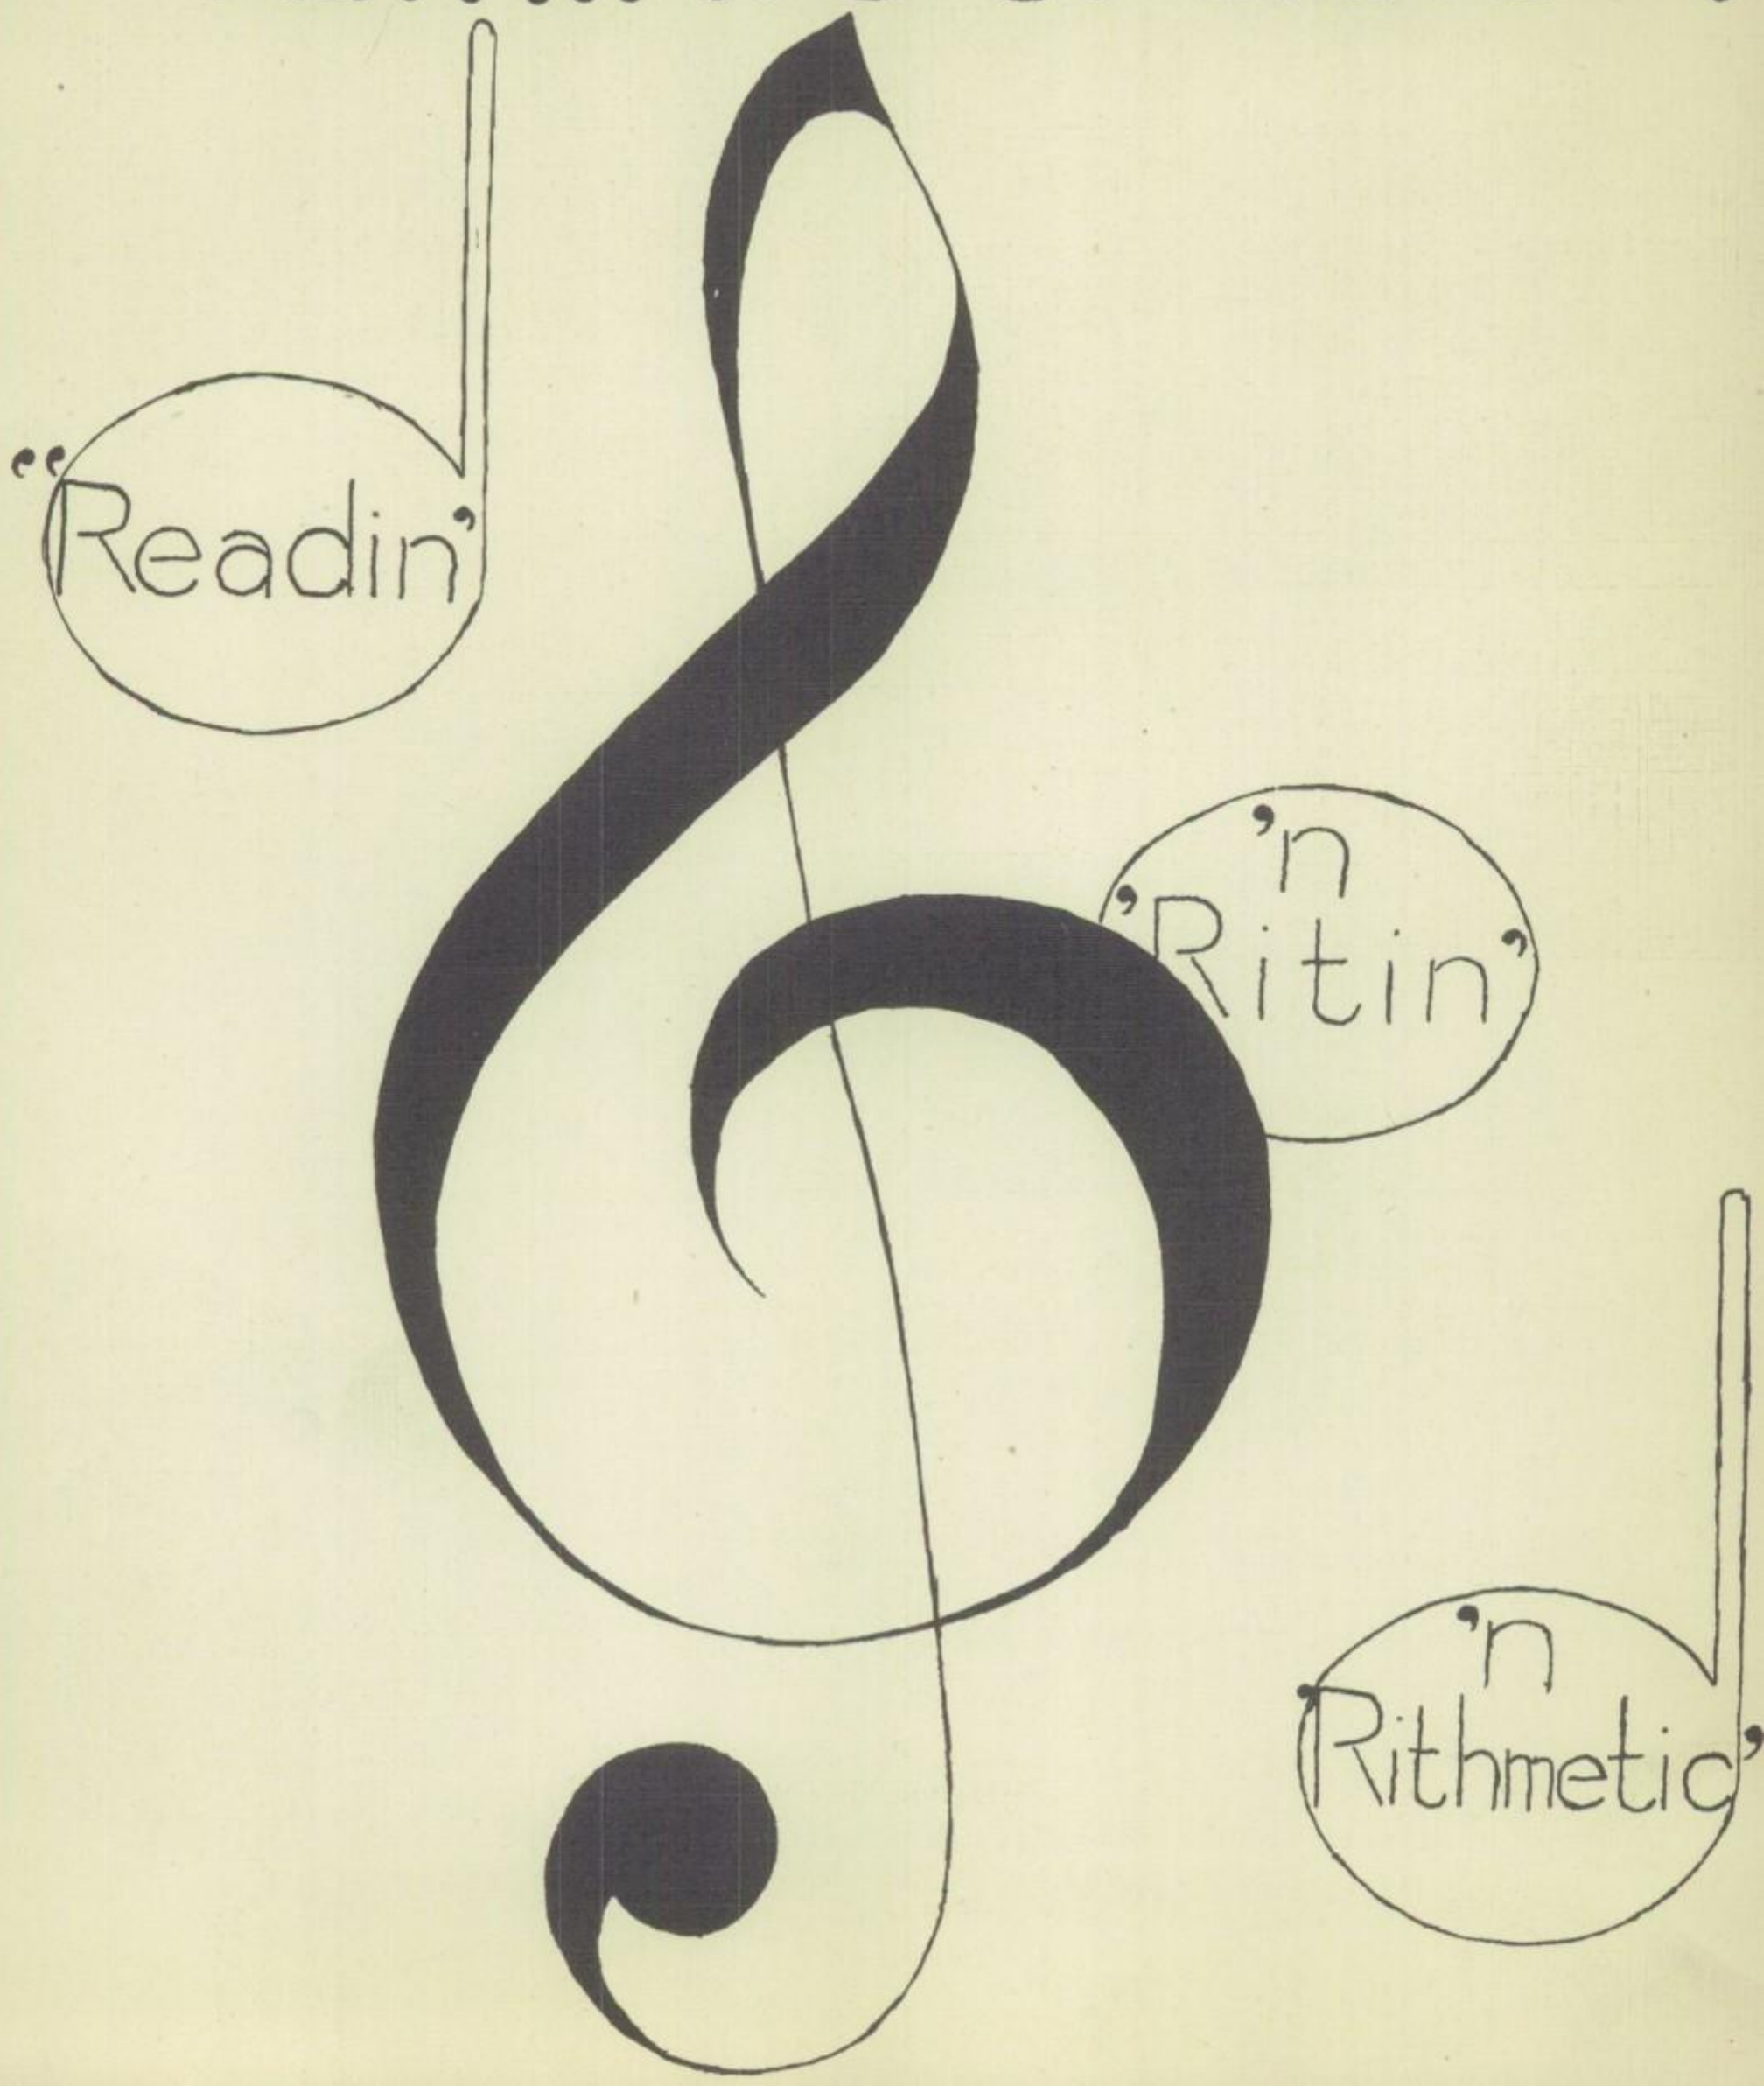

"Say, have you heard Coach's latest joke?" That is just one of the ways the students of H. H. S. shows that Mr. Stanton is a favorite of everyone. As each year passes, we came to know and appreciate him more than ever before. His "always-super" football teams have done more than anything to make us proud of our school. We regret that he has moved away from the high school, but we still see him often and remember him as a part of H.H.S. In appreciation for the outstanding work he has done for our school, we dedicate the 1947 Round-Up to Coach Stanton.

Just a glimpse at our Hereford High School building brings rushing thoughts of the many activities and experiences we've had here. Most of all we value the close friendships that have come from associations with the faculty and students. We still feel the excitement of each football game and the disappointment of every defeat, always remaining loyal to our school. We can never forget the enchantment of all the banquets, the school plays, and all the other activities that make our school days complete. Other occasions such as writing term themes, straining over final exams, and learning Julius Caesar are just as memorable, and it is with a catch in our throats that we hear for the last time this year

Hail Hereford High School
Hats off to you!
Ever you'll find us
Loyal and true.
Firm and undaunted
Always we'll be.
Hail, to the school we love
Here's a toast to thee!

Administration

Superintendent George Graham

The effort exerted by those who have planned and edited this fine annual is a demonstration of splendid spirit of cooperation and willingness to work for the interest of Hereford High School. As you refer to this annual in future years, may each page bring pleasant memories to you of your high school days.

To those of you who are leaving high school for higher education or other fields of endeavor, my very best wishes for your success.

Sincerely yours,

Geo L Graham

*Best wishes
Geo L Graham*

Principal Don Martin

Dear Students:

I want to congratulate you for your fine attitude and cooperation as a student body. I think one would have to look a long time to find a better student body than we have here in Hereford High School.

My sincere wish for each of you is a happy and successful future.

Sincerely yours,

Don J. Martin

*congratulations

achievements.
may the future
hold happiness
and success for
you.*

Both students and teachers alike respect Mr. Brock for his industry, his sincerity, his faithfulness, and his many other splendid traits. Day or night, he is called upon to serve and seems ever ready to help.

Truly, he's a definite part of H.H.S., and the Round-Up pays special tribute to him.

Fred,
You've always been tops

do it that way always.
I don't want you to be a

Dear Fred,
I have enjoyed knowing
you for these four years that
I have lived here. I have
always liked to play ball with
you and if you do as good at

you might even get to be a

A pal always,
John
